

TOP SECRET

Director's Meeting

Friday, 19 October 1951

25X1 [redacted] mentioned problems that were arising
25X1 in relation to the expansion of the [redacted] operations.
The DCI stated that the whole Magnitude question worried him. He
said that our operations were getting so extensive that they were
almost becoming a "cold war department". He will not be able to
25X1 talk to [redacted]
until he has had a few days to consider the whole O/PC question.
